

An aerial photograph of an industrial complex, likely a refinery or chemical plant, situated along a river. The facility features numerous large industrial buildings, storage tanks, and a tall distillation column. A multi-lane highway runs parallel to the river on the right side of the image. The sky is clear and blue.

HOW TO FIND US

If you arrive by plane

A taxi will take you from the airport to SAMSON in about 15 minutes. Alternatively, you can take the S-Bahn to Frankfurt Hauptbahnhof (central railway station). Change to Straßenbahn Linie 11 (tram route 11) towards Fechenheim and get off at Riederhöfe. Walk through the pedestrian subway and you will soon arrive at SAMSON's main entrance.

If you arrive by train

A taxi will take you from the station to SAMSON in about 20 minutes. Alternatively, you can take Straßenbahn Linie 11 (tram route 11) towards Fechenheim and get off at Riederhöfe. Walk through the pedestrian subway and you will soon arrive at SAMSON's main entrance.

To get directly to SAMSON by bus, switch from the tram at Ostbahnhof station to bus line 31 (direction Hugo-Junkers-Straße). Exit at Weismüllerstraße West stop to get to SAMSON's main entrance or use Schielestraße West stop for our entrance on Schielestraße.

If you arrive by car from either the east, south or west

Change from the A5 to the A3 in the direction of Würzburg/ Offenbach at Frankfurter Kreuz when coming from the south. Coming from either the west or east, you will already be driving on the A3. At Offenbacher Kreuz, change to the A661 in the direction of Bad Homburg. Leave A661 at the Frankfurt Ost (14) exit and continue towards Hanau. Turn right at the first junction and follow the SAMSON signs.

If you arrive by car from the North

You will be driving on the A5. Change to the A661 in the direction of Würzburg/Offenbach at Bad Homburger Kreuz. Leave A661 at the Frankfurt Ost (14) exit and continue towards Hanau. Turn left at the junction and right at the next traffic lights, then follow the SAMSON signs.
